#### **I. Welcome to new board members and election of officers.**

Bill Towhey started the meeting by calling it to order. He then went on to thank the venue owners for allowing us to have the meeting there. The logistics (size, open area, bathrooms, etc.) were excellent as was the overall venue and view. He also went on to clarify what the purpose was for board meetings.

Bill explained that we would like to have at least 2 board members present when meeting with a property owner, for multiple reasons. This is especially important when discussing financial issues or for meeting with developers and members upon new home development.

He also brought up the upcoming research being done to cede Monaco Lane to our lot 58 owner, as it is the only lot using that road in our POA. John is researching a legal document for that, and we will be terminating the easement for that road.

Doug Murphy made a motion nominating **Bill Towhey for President** and Laura Malsby seconded the motion. **Motion Passed.**

Bill Towhey made a motion nominating **Doug Murphy for Vice President** and Joe Rowe seconded the motion. **Motion Passed.**

Bill Towhey made a motion nominating **John Dady for Treasurer** and Laura Malsby seconded the motion. John was recognized for doing an exceptional – and very appreciated – job in his role. **Motion Passed.**

Bill Towhey made a motion nominating **Kevin Jenkins for Secretary** and Doug Murphy seconded the motion. **Motion Passed.**

Bill Towhey brought up that all board members should continue to ask other POA members to join the board in the future. There are opportunities coming up nearly every year.

Doug Murphy made the motion to adjourn the meeting, Bill Towhey seconded it.
